Booking Information

To secure your Christmas party booking, we ask for a 50% deposit upon confirmation. This deposit will be deducted from your final bill.

A discretionary 10% service charge will be added to your final total.

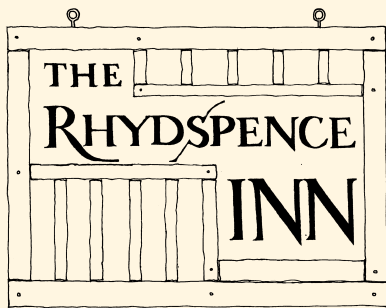

Please ask your guests to arrive 15 minutes before your booking time so they can enjoy a drink from the bar and find their seats in the dining room before service begins.

What We Need From You

To help everything run smoothly and ensure your evening is special, we'll need a few things from you ahead of time:

- Pre-order for your party, 10 days in advance (template provided)
- Table plan, required for tables over 20 people (template provided)
